CENTRAL INTELLIGENCE AGENCY
BOARD OF NATIONAL ESTIMATES

10 April 1953

MEMORANDUM FOR: Mr. Allan Evans (OIR)
Colonel Gerald F. Lillard, USA (G-2)
Captain Allan L. Reed, USN (ONI)
Colonel Jack E. Thomas, USAF (AFON-2B)
Captain John A. Holbrook, USN (JIG)

SUBJECT : SE-38: Probable Soviet Courses of Action
in Electromagnetic Warfare

1. The attached draft estimate, approved by the Board for discussion with the IAC representatives, is forwarded for review.
2. The draft is based on contributions from EIC, SEC, and OIR. Representatives of the IAC agencies participated in preparation of the EIC and SEC contributions.
3. Drafts of two appendices, prepared in EIC and SEC respectively, are also attached for review. The Board feels that these drafts are generally in consonance with the draft estimate, and proposes that, after appropriate agency review, they be submitted to the IAC for publication as appendices to SE-38. In view of the short deadline for submission of the estimate proper, however, it is possible that the appendices will have to be submitted separately at a later date.
4. The meeting of the IAC representatives, to consider the attached drafts, is scheduled for an early date. We have not set a time now because it may be possible to get an extension of the deadline from the NSC. If no extension is forthcoming, the meeting would have to be held at 10:00 Tuesday, 14 April.
